

I need additional income...

But how can I work?

I have young children....

I just can't leave my child to go back to work full-time and part-time doesn't bring in enough money..... Is this you? Need a good solution?

Here is a great Home Business Opportunity to help you achieve your financial goals and allow you to be a "Stay At Home Mom."

You won't have to miss any of these precious first years...

S.O.S. Start Out Smart!

If you **love children, love music, and want to earn additional income**, call us to start your own **S.O.S. Start Out Smart! Music Program** Home-based Business. Help young children between the ages of 3 -7 develop and strengthen a wide range of skills, while at the same time having loads of fun along the way! You'll be helping them **Start Out Smart!** and become better prepared for school.

Great income potential! Great time to start!

Our simple business plan allows you to creatively design and meet your particular financial goals and work the hours and days you choose. It's totally flexible and you make those decisions yourself! You have fun sharing activities involving singing, dancing, moving, reading, and dramatizing within weekly 45 min. to 1 hr classes of 8-12 children. Classes can be held in your home or a location of your choice. You decide what works *best for you!*

You'll use our award-winning CDs, books, and educational products..."child-tested" early childhood materials used by teachers across the United States for over 25 years! Proven strategies and techniques any adult can teach **successfully - even if you can't sing a note!**
