October 16, 2007

To Whom It May Concern:

I first attended a workshop presented by Kathy Poelker in January of 2007 at the Alaska Association for the Education of Young Children's Early Childhood Providers Conference in Anchorage. Ms. Poelker presented her workshop with such energy, passion and commitment to sharing her knowledge of young children and utilizing music as a learning tool that I chose to attend all workshops that were presented by her during this conference. At the end of this conference I knew that Ms. Poelker needed to be invited as the Key Note Speaker to the Bristol Bay Native Association's 6th Annual Early Childhood Providers Conference.

Ms. Poelker not only contracted for the Key Note presentation but presented a total of four workshops. Ms. Poelker began each session with such energy that she captivated the attention of everyone in attendance. By the end of the conference here in Dillingham I could see an increased energy amongst all of the child care providers that attended. I was approached by several providers thanking BBNA for having Kathy Poelker as the keynote speaker and presenter as they learned valuable skills to take back to their employment as in-home child care providers.

If you should have any questions I would love to hear from you and would highly recommend Kathy Poelker to be a speaker at any conference.

Thanks Again!

Sincerely;

Serena McArthur
