Dear Kathy,

I want to thank you for conducting such a wonderful workshop for the early intervention and preschool providers in Alabama. Your lively and engaging sessions were very well received. As was your strategy, the audience was able to recognize the impact that music can have on all aspects of a child's development. It was fun watching as folks began to interact and open up to your very charming approach.

Thank you for driving all the way to Alabama for our Early Intervention and Preschool Conference. What a wonderful way to celebrate our 28th year! I wish you well in your future travels and endeavors.

Sincerely,

Jeri B. Jackson, Coordinator
