

Buffalo Grove  
Park District

To whom it may concern:

On August 30, 2007 Kathy Poelker provided a workshop for the teachers of the Buffalo Grove Park District Four Year Preschool. Kathy was well prepared, enthusiastic and she demonstrated extensive knowledge in the subject area. There were many visual aids to illustrate and reinforce the concepts presented. Kathy involved the teachers in songs and activities so they might better understand how to present the material to their classes. Each teacher thoroughly enjoyed the workshop and came away with many new ideas. They were inspired to add more music into their curriculum.

I highly recommend Kathy Poelker and her workshops. She was warm and professional and the workshop was informative and fun.
