Dear Kathy:

It is with a deep sense of appreciation that I greet you today to thank you for your training presentation of "*Learning With A S.M.I.L.E. – Sensory Motor Integrated With Learning Experiences.*"

The evaluations are tallied, the numbers are in, and we had tremendous results. Over 90 participants attended with great enthusiasm and positive feedback. Enclosed are evaluation comments.

Your great presentation skills, professional expertise and commitment to quality programs that support the individual needs of children are evident and appreciated by the participants. They found you both to be a special treat and your session a positive experience.

I appreciate your willingness to be a part of this role that ESC Region XV has, to be an interconnecting link in the community and to offer meaningful staff development opportunities to those working with children. Your impact and influence was dynamic! Again, may I express my heartfelt gratitude. It was certainly a great privilege to have you come and share!

Warm regards,

Carol White, Education Specialist
