I would like to take this opportunity to say that Kathy Poelker with "Look At Me Productions" has conducted two consecutive years of In-Service trainings for GLEAMNS Head Start. She is an exciting training specialist and the Head Start Staff loves her work.

Ms. Poelker has an excellent background in music and is able to write her own lyrics and materials. She also has a wealth of experiences in working with teachers of young children.

Therefore, I am proud to recommend "Look At Me Productions" for training the Early Head Start Staff.

If additional information is desired, I can be contacted at (864) 223-8434, extension 1007.

Sincerely,

*Thomas C. McCain, Sr.*
