To Whom It May Concern:

I feel privileged to write a recommendation letter for Look At Me Productions by Kathy Poelker in regard to the Building Better Brain Power! Training. I learned quickly that Look At Me Productions would be an appropriate fit for McAllen ISD, when I attended Mrs. Poelker's training at Region One. For our TLI grant it was important to contract a consultant who brought on a new take to music and movement, being that it is an area that tends to get overlooked in early childhood, nowadays.

Mrs. Poelker provided an excellent training and will be contracted to return in May in order to conduct a follow-up training. The 75-song collection, big books, and Sensory Motor Integration Program have been so successful that teachers throughout the district have been implementing the various routines with the coordinating music and have seen the students' levels of engagement increase. I highly recommend Look At Me Productions by Kathy Poelker to conduct trainings at your school district or business organization.
