Dear Kathy:

Thank you for your presentation, "*Happy Feet, Keep That Beat!*" on November 6th at Westside Technical Institute. We truly appreciate the time and effort that went into preparing and presenting both workshops. The information you shared will certainly make a positive impact on the lives of young children (and their families) in Chicago. Our collaboration with experts like you helps STARNET realize its goal of improving outcomes for children who are disabled and/or at risk

The quality of your presentation was clearly reflected in the excellent evaluations from our attendees. I have enclosed an evaluation summary and attendees' comments for your review.

Thank you once again for sharing your time, knowledge and expertise with the educators, administrators, providers, parents and others who touch the lives of young children. Please don't hesitate to contact me if you have any questions or concerns.

Sincerely,

Evelyn Polk Green
Project Director
