Laredo Webb County Head Start

September 2013

To whom it may concern;

I had the pleasure to attend *Look At Me Productions Teacher Training Seminar* by Ms. Kathy Poelker on Aug 20, 2013 at TAMIU, Laredo Texas. It was a six hour training filled with information, strategies, activities and lots of fun.

I was impressed with the knowledge and experience Kathy demonstrated throughout the training and how she kept 220 participants engaged interacting with her. We need music and movement to be part of our daily instruction to enhance readiness. "Building Better Brain Power" provides developmentally appropriate activities that contribute to develop child's coordination and language.

For those considering a *Look At Me Productions Teacher Training Seminar*, Webb County Head Start staff really recommend Kathy Poeker, most highly and without reservation. Teachers and children will really benefit and develop lifelong learning skills.

Thank you Kathy for sharing your talent and expertise with our head start teachers!

Sincerely,

*Rosa Gomez, Ed. Asst.*
