Reference for Kathy Poelker, Look at Me Productions

Kathy Poelker of Look at Me Productions, presented two workshops (Learning With a SMILE & Amazing Musical Moments) for the Wisconsin Half Day Preschools Association Spring Workshop on March 24, 2007. Our teachers were so excited by the presentation and the songs and activities we did. Their joy is shown in the comments we received:

Learning with a Smile:

Excellent. I greatly appreciated Kathy's insight, energy, and commitment to Sensory Motor Learning. Her knowledge & talent was inspiring.

Interesting learning the philosophy behind music with young children.

Very informative – lots of fun – I thought one presentation of 2.5 hours would be too long – not so. Thanks for great ideas.

Interesting and informative about brain development. Some great ideas presented.

Great ideas and good resources. Great movements and reasons why we should do it.

Found I was spellbound and enjoying – can see how all kids have to pay attention – good learning skills developing!

I can't wait to use the CD's that I bought. Kathy Poelker had a warm and passionate way of sharing her ideas. Her love for teaching children was so evident.

This was fabulous! This is exactly what I believe and Kathy does an amazing job of telling us the whys and the hows. Thanks for this great presentation.

Excellent presentation – gives you a lot to think about! I really liked how Kathy gave us the information and then had us participate. I can't wait to put it into practice at school and at home with my 2 – year old!

Amazing Musical Moments:

Very good Fun – liked the egg shakers. Entertaining, informative. Great big book ideas.

Great! Wonderful songs. I plan on introducing at least one to my class on Monday!

An amazing experience, the dancing, the books. So many usable ideas that teach so much. Thanks for letting us actually experience these things.

This is the most fun I have ever had at an inservice! I can't wait to start some of the dances with my preschoolers! Kathy has inspired me to make music a big part of my curriculum, an area which was lacking before.

It was so nice to be able to spend a good day with Kathy Poelker – I've been to her workshops before
