

and have never gotten the full benefit of her talents. What a great resource!
Great – cool, easy songs and great coordinating skills – good tension release.
What a wonderful way to teach so many important skills through music. It is one area I am not real skilled at. This will certainly help!

Kathy Poelker's presentation as a Music Educator is done professionally in every way. Her personal touch inspires and encourages the best in us as teachers and human beings.

The Wisconsin Half Day Preschools Association gives the highest recommendation to Kathy Poelker, Look at Me Productions.
